WELCOME TO ROTHNEY

We would like to extend a warm welcome to all our friends and cattle breeders and issue an invitation to be with us at the farm on October 28th, 1:00 for our all Polled Shorthorn bull and female sale. We would especially like you to see the influence the two much talked about Australian Sires: Dandaloo Royal Duke X and Kelso Ignition X, have left on our cattle. They have outcrossed very well on our cows and we are offering heifer calves from these two bulls only as a special sale attraction. As yet, there have been very few of these Australian calves for sale in North America.

We are also proud to present the offering from our other herd sires and feel they will all make useful cattle, being young with their whole life ahead of them.

The cattle have all been raised here at Rothney, no dehorning is done, every one a natural poll. They have been raised under rugged conditions and should do well in any herd. We are looking forward to seeing you Friday, October 27, when your inspection of the cattle will be most welcome. We hope you will accept our invitation to dinner at the Crossroads Motor Hotel at 6:30 p.m. Friday.

BOA KAE ROYAL OAK 2nd X, owned jointly by Rothney and Boa Kae Ranch has been a 100% dehorner for these herds. A Champion in his own right, his ability as a breeding bull, passing on to his sons and grandsons his size, quality and potency, is what makes him great. A few of his sons:

Boa Kae Royal Crown X:	1970 Champion Royal Winter Fair & Canadian International, also top selling bull, \$5,300 to Vanderdale Farms
Boa Kae Royal Mint X:	1970 International, \$4,300, to Remittall
Boa Kae Trailmaker X:	1969 Edmonton Bull Sale Champ, to John Boake
Boa Kae Royal Banner X:	1969 Calgary Stampede Champ, Schulhauser, Sask.
Boa Kae Royal Troubadour X:	Vic and Marion Bowman
Rothney Atlas X:	\$1,550 to Wm. Sluss, Kansas
Rothney Achiever X:	\$1,500 to Tomson Bros., Kansas
Rothney Braw Bob X:	\$5,500 ½ interest to T. H. Snethen, New York
Rothney Bruiser X:	\$1,550 to Floyd Fanning and Jack Stickrod, Iowa
Rothney Benefactor X:	\$1,125 Robert Raisbeck, Wisconsin
Rothney Barvas X:	Calgary Bull Sale Res. Champ, \$2,150 to Harry Krug, Kansas

In our 1970 Production Sale we sold 22 head of cattle sired by this bull, they totalled \$27,460, average \$1,825 for 11 bulls and \$671 for 11 females. Twelve of the total were calves still on their mothers. The yearling bulls on offer are bred the same way as these good bulls.

FOR REFERENCE ONLY

ROTHNEY BRAW BOB X, owned jointly by Rothney and Sangamon Farm, is just beginning to write history for the Shorthorn business. To say that we are proud of his first calves would be an understatement. His calves are much like their sire was as a calf; straight ahead, no set backs, natural stance and easy keepers. We were always confident that this bull was one of the best looking calves we had ever seen, now we are just as satisfied that he is a breeding bull as well. It is hard to conceive any better type of cattle on any continent. Five of his sons Lots 7, 8, 10, 14 and 15 are offered. Lot 10, Rothney Destiny X is an outstanding individual, perhaps the best calf on offer in this sale.

ROTHNEY COMET X, owned jointly by Rothney and Diamond H Farm, Hinton, Iowa. Nicknamed the "Moose" because of his size and ruggedness — he is stamping his offspring with the same quality. The record of performance of his calves is excellent. We are keeping his daughters as replacements, as we feel they are good uddered, good legged and the kind of brood cow we need, however, we have offered only one of these good calves for sale, Rothney Flower 16D X, Lot 34. Two of his yearling sons, Rothney Cromwell X Lot 22 and Rothney Calgary Comet X Lot 25 have outstanding ROP and we are confident Rothney Dependable X Lot 9 and Rothney Draco X Lot 11 will have the same kind of performance.

Rothney Cammanche X and Rothney Chief 2nd X are sons of Rothney Alex X, a young bull we originally entered in our 1970 Sale and then because he was a son of Carig Royal Clipper X, the "Moose's dam", and Boa Kae Royal Oak 2nd X, we decided to keep him as a herd bull. We had the misfortune to lose him the following winter. The record of performance of these two bulls bear out our faith in their sire's promise. First calves from heifers and the youngest yearling bulls on offer, don't discount their potential.

Rothney Simplicity 69D X Lot 38, Rothney Julianna 1C X and Rothney Peeress 45C X are daughters of Miami Leader X. We purchased this bull in the 1970 Calgary Bull Sale, where 2nd high selling bull after our own Rothney Dalbeattie. We have used this grandson of TPS Coronet Leader 20th in both the purebred and commercial herds and we are pleased with his ability to cover the hills, settle cows and stay in condition. We used a son of Miami Leader X on our yearling heifers this year.
